Is this part of a multiphase project?

Yes, this is phase one of a multiphase project.

Yes, Medina EC has already designed other phases.

No, this is not a multiphase project.

Attach a copy of the Plat for the project. This is required before a site visit can be scheduled.

It is understood that developer(s) will be required to remit the construction estimate as aid to construction for a subdivision or backbone power line to be built. It is understood that all poles and guy wires will be placed so as to form the least possible interference, so long as it does not materially increase the cost of construction. It is understood that all facilities, installed in said subdivision or backbone, shall remain the property of Medina Electric Cooperative, Inc.

Signature(s): _____
