Donations of cooperative water will not be made for private events, to private groups, for events that benefit one individual or family, or are solely religious in nature. Donated water can be sold as a fundraiser for non-profit groups.

Please send request at least three weeks in advance to ensure ample time for consideration and scheduling pick-up. Pick-up arrangements should be made a week before the event and are the responsibility of the individual or entity requesting the donation of the water. Medina EC can not accommodate donation or pick-up requests made at the last minute.
