Rebate Application

Heat Pump and Central AC

Date: _____ Account Number: _____ Phone: _____

Member Name: _____

Program procedures and requirements:

- Only members of Medina Electric Cooperative are eligible for rebates. Rebates are limited to occupied residences and small commercial businesses, and installation must be a replacement for an existing system.
- Application must be submitted within 30 days of installation. Limit of one heat pump or central AC rebate per member per year.
- A rebate will be issued in the form of a bill credit to the member's account. Please allow 8 weeks upon receipt of all required rebate documents for credit to appear on bill.
- Medina EC reserves the right to verify all rebates to ensure program guidelines have been met. The member may not be granted the rebate in the event the cooperative is unable to verify the information provided on the application form.
- Please select the type of rebate you are applying for below. Installation must be completed by a qualified licensed service professional. Copy of contractor's original invoice with the model and serial numbers of all equipment installed, and AHRI sheet must be attached.
